**RE: City of Statesboro 2023 CDBG Application for Housing Rehabilitation Assistance**

Dear Mayor McCollar:

I am aware that the City is applying for a grant to provide rehabilitation improvements to my home. I am also willing to contribute either \$500.00, \$750.00 or \$1,000.00 towards the cost of construction and understand that the amount will be determined based on my household's income at the time of full application.

Thank you,
