**AFFIDAVIT FOR ADDITION OF AUTHORIZED SUPERINTENDANT**

I, \_\_\_\_\_, certify that \_\_\_\_\_ is acting as a  
superintendent/employee under my State License # \_\_\_\_\_.

**OCGA 43-41-16 Section 4.**

Said chapter is further amended in Code Section 43-41-16, relating to grounds for revocation of license, authorized action by division in event of wrongdoing, interest and penalties, and continuing education as requirement for resumption of standing, by revising subsection (a) as follows:

- The board shall have the authority to refuse to grant a license to an applicant or to revoke the license of a person licensed by the board or to discipline a person licensed by the board upon a finding by a majority of the board that the applicant or licensee has committed any of the following acts:
  - Performing any act which assists a person or entity in the prohibited unlicensed practice of contracting if the licensee knows or has reasonable grounds to know that the person or entity is unlicensed;
  - Knowingly combining or conspiring with an unlicensed person by allowing his or her license to be used with the intent to evade the provisions of this chapter. When an individual license holder allows his or her license to be used to qualify one or more business organizations, including where such qualifying agent for a person engaged in general contracting does not actually possess and exercise the power or authority required of a qualifying agent under Code Section 43-41-2 and 43-41-9, such act constitutes prima-facie evidence of an intent to evade the provisions of this chapter.
  - Knowingly entering into a contractual arrangement, whether oral or written, for or otherwise permitting the use of his or her license under this chapter by an individual who is not licensed in accordance with this chapter or by a business entity that has not been authorized under the provisions of this chapter to lawfully engage in counteracting or perform the functions of a contractor.
