WHEREAS: The holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

WHEREAS: Arbor Day is now observed throughout the nation and the world, and

WHEREAS: trees in our City increase property values, enhance the economic vitality of business areas, and beautify our community, and

WHEREAS: trees wherever they are planted, are a source of joy and spiritual renewal,

Mayor & Council Work Session

50 East Main Street

4:00 PM

A Work Session of the Statesboro City Council was held on January 16, 2024 at 4:00 p.m. in the Council Chambers at City Hall, 50 East Main Street. Present was Mayor Jonathan McCollar; Council Members: Phil Boyum, Paulette Chavers, Ginny Hendly, John Riggs, and Shari Barr. Also present was City Clerk Leah Harden, City Attorney Cain Smith, City Manager Charles Penny, Assistant City Manager Jason Boyles and Public Information Officer Layne Phillips.

1. Whitesville Park Assessment and Improvement Plan

Director of Public Works and Engineering John Washington presented the Whitesville Park Assessment and Improvement Plan beginning with a map of the parks existing conditions. The estimated cost for the proposed plan is \$1,850,000.00 and includes improvements to Raymond Street Ext., pervious pavement parking area, playground, restroom building, walking trail, pavilions, community garden, landscaping, lighting and security, and a resurfaced basketball court. The city is applying for a community development block grant which has a maximum award of 1,250,000.00. The application is due in April and will be awarded in October. Other funding sources are TSPLOST in the amount of \$300,000 and ARPA funds in the amount of \$200,000. If the city is awarded the CDBG the design for the park is slated to be completed April 2025 with construction completion slated for March 2026. If the city is not awarded the grant park improvements will be done through a phased approach. Beginning with the removal of the restrooms building, the installation of a new pavilion, walking trail, resurface basketball court, installation benches and tables, community garden, landscaping and lighting and security. Other funding options include capital debt financing or pay as you go.

2. Housing Rehabilitation Update

The housing rehabilitation program began in 2022 with the authorization of the use of \$500,000 in ARPA funding. The program authorized the rehabilitation of eligible owner occupied homes within the City's designated Urban Redevelopment Area. There were a total of 83 applications received during the application period and many inquires after the fact. The assistance policy set a cap of \$50,000 per rehab with an option to allow for \$70 per square foot per rehab. These numbers seemed good at the time but with the existing housing market the cost for rehab has increased and caused a number of the projects to be rebid. Back in 2023 Council earmarked \$450,000 of interest from the ARPA funds to be utilized for the reconstruction of 3 homes. As of today staff has awarded contracts for approximately \$1,822,326 which includes the \$450,000 for reconstruction. The next bid package is slated to go out in early February and there are four homes nearing completion.

3. Art Park – Selection of Art/Process

Assistant to the City Manager Olympia Gaines stated the Art Park is a place which will showcase sculptures on a rotating basis. The idea is to have these sculptures loaned to the City for a period of two years. When the two years are finished the City could return the sculptures or purchase them to be displayed along the Willie McTell trail. A committee would need to be established and be comprised of 3-5 representatives from the Averitt Center, Betty Foy Sanders Art Department, SCVB, and a local artist. A city staff member would be assigned as a liaison and a member of the DSDA would serve as an ex-officio member. The estimated cost for each sculpture could range from \$1,000 - \$2,000 per year as a loan fee. The funding would be a part of the City's annual budget. The goal is to promote sustainability, creativity, and innovation. Art pieces should be long lasting with little upkeep and suited for local weather conditions. They will also incorporate a variety of media, styles, and experiences. The timeline is to have the art committee issue a call for art

by early spring 2024 with art installation taking place in May 2024. A ribbon cutting would be scheduled after the art is installed. Councilmember Shari Barr asked on behalf of Councilmember Phil Boyum for the council to budget \$40,000 annually starting next fiscal year for a sculpture contest. The second request would be the city maintains oversight of the process even if the Averitt is involved in the handling of it in order to ensure the stability project. Olympia stated it takes 3-6 months to issue a call, also what that funding will look like. City Manager Charles Penny stated that once everything is finalized it will be brought back before council.

4. Proximity Issue in Central Business District

City Attorney Cain Smith began his presentation with City Ordinance Chapter 6 section 7(e) which sets proximity requirement for issuance of on premise consumption alcohol licenses. This regulation is entirely at local government discretion pursuant to OCGA 3-3-21(b)(3). The City's current regulation prohibits the issuance of on premise licenses with 100 yards of a church or educational facility. However council may grant proximity waivers for restaurants, pubs, and low volume licenses. A proximity waiver is not allowed for bars or bars with kitchens which makes it nearly impossible for such establishments to exist throughout a significant portion of downtown Statesboro. The city has had many contacts from potential business owners wanting to open a bar or bar with kitchen in downtown but the current ordinance prevents staff action. Applications for these establishments in most of the downtown area cannot be brought before Council due to the distance requirements and not having an option for proximity waivers. There are a couple of options council could consider, one would be to eliminate this prohibition in all or a portion of the Central Business District downtown, two allow council to consider proximity waivers for bars and bars with kitchen in the Central Business District, or three leave the ordinance as it currently stands. Mr. Smith presented a map of the open container area in downtown. City Manager Charles Penny asked council to look at the area and think about the possibilities, and will be brought back before council for another presentation.

The meeting was adjourned at 5:17 pm.

Request for Alcohol Proximity Waiver

Pour House Pub
25 W Main St
Statesboro, GA 30458

Dear City of Statesboro,

We are formally requesting a proximity waiver for the purposes of obtaining an on-premise alcohol license for The Pour House Pub. Attached is the land survey conducted on 1-06-2023. As seen on the survey, two surrounding businesses currently hold on-premise alcohol licenses, and one of which is closer in proximity than The Pour House Pub to one premises of issue, previously Encounter Church located at 39 W Main St. Encounter Church is no longer located at 39 W Main St, the new tenant is American Killer Bees Fitness. The previous business at 25 W Main St, was also issued an alcohol license for the duration of operation. We have put our all into making this pub what we dreamed it could be, and hope to give the City of Statesboro residents a spectacular space to relax and nurture friendships, with the best food and drinks in town.

Thank you for your consideration.

Sincerely,

Victoria Zellner

RE: Surplus Retirement Firearm

POLICY ISSUE: Surplus Item

RECOMMENDATION: That Council approve the award of a Department owned firearm to retiring Deputy Chief Rob Bryan.

BACKGROUND: Historically, the police department has awarded a firearm to those members who have retired in good standing with more than 25 years of service. This practice is specifically authorized by Georgia Statute 35-1-20. Deputy Chief Rob Bryan has announced his retirement from the police department after 25 years of exemplary service to the citizens of our community. The pistol to be awarded to him is a Glock Model 17 with Serial Number #BERR254, and we would like to award him this pistol along with his retired credentials.

BUDGET IMPACT: We are able to purchase these pistols for approximately \$400

RE: Vehicle Purchase for the Public Works and Engineering Department

POLICY ISSUE: Purchasing

RECOMMENDATION:

Staff recommends the purchase of the following trucks for the Public Works and Engineering Department's Streets and Parks Division not to exceed as follows:

Capital Improvement Program (CIP)	VEHICLE	COLOR	NOT TO EXCEED
PRK-4	New 2023 or newer Ford F-350 XL 4X2 Crew Cab with a landscape body	Oxford White	\$75,000
STS-74	New 2023 or newer Ford F-350 XL 4X2 Crew Cab with a service body	Oxford White	\$75,000
STS-80	New 2023 or newer Ford F-350 XL 4X4 Crew Cab with service body	Oxford White	\$67,000

BACKGROUND:

The Purchasing Division has made several attempts for written quotes concerning heavy duty trucks the last two (2) fiscal years. Commercial dealerships and state contractors have participated in our process, but are unable to assist us because of the lack of availability or they are unable to place the vehicle on hold for an extended period. The cost for procuring work trucks have increased significantly. These super duty trucks have specific requirements based on their use. The high demand for these types of trucks in other parts of the country make it difficult to stock them in the southeast region. Typically, they are not equipped with a service body.

The three percent (3%) local and in-county vendor advantage will applied for local vendors and the apparent lowest written quote that meet the department's requirements will be accepted. The trucks and service body may be purchased separately.
