RE: Spring Music Fest

Mr. Dismuke,

The Statesboro Fire Department has reviewed the application for Exemptions to Open Container Prohibition submitted. The Statesboro Fire Department has no objections with approving the request contingent upon the following conditions:

1. The maximum occupant load for the premises shall not exceed more than **1200**, which also includes all staff members. Please note that the occupancy load for **Eagle Creek Brewing** is **83** and shall not exceed inside the building at any time.
2. Georgia requires a trained Crowd Control Manager for assembly occupant loads of 100 or more with an additional Crowd Control Manager for every 250 people.
 - a. For example, an establishment has an occupant load of 260. This establishment would have to staffed with a minimum two (2) Crowd Control Managers anytime it is open and in operation (1 for the first 100 people, 1 for the additional 160 people.) the individual(s) must complete the certification process before the event and have their cards in hand.
 - b. 1,200-occupant load will require **4 crowd managers** for the outside and **1 crowd manager** for the inside of Eagle Creek Brewing.

Failure to comply with the conditions listed within at any time during the event could cause a revocation of this permit.

Thank you,

Carlos Nevarez
