RE: Policy Issue: Contract Award—Police Patrol Vehicle Laptops

Recommendation:

Motion to award a contract to Patrol PC for the purchase of Rhinotab rugged mobile laptops and related equipment to be placed in patrol vehicles in the amount of \$52,236.00. If approved, this purchase will be funded under CIP# PD-1 from the allocated funds provided by the recent 1 mill increase.

Background:

These proposed mobile laptops are to be placed in our Police patrol vehicles. Currently, we use Dell brand laptops that have a life of approximately three years at a cost of approximately \$1,800.00 each. The proposed Patrol PC Rhino Tab laptops will cost \$3,699.00 each and have an estimated life of 7-8 years. While this will provide some savings over time, technology related down time is projected to be significantly less due to the durable nature of these units. This will save officer down time as well as reduce IT related services required to keep these patrol units operating. Due to the extreme Police work environment, the current laptops in use often are in need of constant repair (screens, keyboards, etc.) If approved, the purchase of these laptops would be on a sole source justification due to Patrol PC is the only manufacture of rugged customized laptops with the sole purpose of being placed in patrol and emergency service situations. If approved, this total purchase would be for 9 of these laptops with all related equipment (software, keyboards, mounting equipment etc.) in the amount of \$52,236.00.

RE: Vacation Buy Back for Employees Exceeding the Maximum Allowable Accumulation

Policy Issue: The personnel policy sets a maximum allowable accumulation of vacation leave (30 days) to be carried over into the next calendar year. The policy also allows the City Manager to authorize exceptions to the maximum allowable accumulation due to unusual circumstances. In the Budget's Fringe Benefit Summary, there is a section referenced Vacation Buy Back: Upon the recommendation of the Department Head and the City Manager, an employee so requesting, may receive pay in lieu of one week of vacation leaver per year if, on December 31st of that year, their annual leave accumulation exceeds 30 days. Vacation Buy Back is temporarily suspended for FY2019.

Recommendation: Due to various unforeseen circumstances in the City Departments, i.e. short staffing, it is recommended to allow employees having in excess of the maximum allowable 336 hours for Fire Shift employees and 240 hours all other employees to "Buy Back" those hours over the maximum. Employees may buy back the number of hours it takes to reach the maximum allowable hours for their position up to 40 hours after December 31 leave accrual.

Budget Impact: \$55,000. Due to the vacancies across the organization, this amount will be paid from the personnel line items.
