Ordinance Presentation Process

Ordinance Presentation Process

Sec. 2-2-4. - Presentation of Code of Ordinances revisions to mayor and council.

(a) Proposed revisions to the Code of Ordinances shall be brought up as an agenda item at a regularly scheduled meeting of the mayor and council or during "other business" of a regularly scheduled meeting. The person(s) requesting the revision shall present explanation and reason for making the proposed revision to mayor and council. Suggestions for revisions to the Code of Ordinances shall only be made by the mayor, council or city staff. Any citizen, board or outside organization wishing to make a suggestion for revision shall contact their district council representative or the mayor, who may sponsor the idea before mayor and council.

Ordinance Presentation Process

Sec. 2-2-4. - Presentation of Code of Ordinances revisions to mayor and council.

(b) An affirmative vote of a majority of quorum of mayor and council shall move the ordinance revision forward with a directive that the city attorney draft proposed revision language. Vote to do so shall be taken in accordance with existing standard voting guidelines as outlined in the Charter.

Ordinance Presentation Process

Sec. 2-2-4. - Presentation of Code of Ordinances revisions to mayor and council.

(c) The city attorney shall then prepare a draft of the revision. In the case of a proposed revision to an existing ordinance, the city attorney shall prepare a document that shows the existing ordinance in its current form with proposed additions and deletions notated in a comprehensible manner on a single copy. If intent to proceed with revision under (b) has been properly made, the city attorney may present a so declared preliminary revision at a regularly scheduled meeting of mayor and council in order to facilitate discussion and seek input from mayor and council during the revision drafting process. A preliminary revision shall not be considered for passage by mayor and council. Public hearing on a proposed revision may only be allowed upon motion of mayor and council though it is not required for a preliminary revision to move forward.

Ordinance Presentation Process

(d) Once the city attorney has substantially prepared the proposed ordinance revision it should be presented as a first reading and public hearing, which shall be run according to standard Charter meeting guidelines. Mayor and council may vote in the affirmative to move the ordinance, as then presented or with only minor modification, forward to second reading. Substantial changes made to revision presented at first reading shall require modified revision to be presented as a first reading at a subsequent meeting of mayor and council.

(e) Second reading. Mayor and council may move to approve or deny the revision as presented in the publicly available meeting agenda. Scrivener's errors may be corrected, but no substantive modifications to proposed revision shall be considered for passage.
